

# INTERVIEW A FAMILY MEMBER

## Family Literacy Day 2023 – Celebrate Your Heritage!

One of the best ways to learn about your heritage is to interview a family member – a parent, grandparent, aunt/uncle, etc.

We've listed some questions for you to ask as a starting point. Don't be shy – they will love talking to you!

1. **Where were you born (city, country, etc.)?** \_\_\_\_\_

2. **What language did you speak when you were growing up?** \_\_\_\_\_

3. **What were your favourite family meals or foods growing up?** \_\_\_\_\_
